

WADE T. MYERS

Press Kit

INTRODUCTION

Wade Myers is a serial entrepreneur and investor. He is a co-founder and partner in multiple investment funds for real estate, venture capital, and public equities. He is a decorated Airborne Ranger and a Harvard MBA.

SHORT BIO

Wade Myers is a serial entrepreneur, investor, author, and speaker that has founded, invested in, and been a director of scores of companies and has completed over 100 financing and M&A transactions. He is a general partner of the Eagle Venture Fund, the Alpha Alta hedge fund, and WayMaker real estate fund. Wade's entrepreneurial ventures include a tech-enabled investment bank, a SaaS-based big data company, a tech-enabled government services firm, and an Inc. 5000 SaaS-based property management firm. He also worked at the Boston Consulting Group and Mobil Corporation, and served as an Airborne Ranger in the US Army where he was a decorated veteran of the Gulf War. Wade is a Baker Scholar graduate of Harvard's MBA program.

LONG BIO

Wade Myers is a serial entrepreneur, investor, author, and speaker that has founded, invested in, and been a director of scores of companies and has completed over 100 financing and M&A transactions.

He has been a featured speaker at top business schools as well as investment banking, venture capital, private equity, technology, and entrepreneurship conferences worldwide.

Wade is the co-founder and general partner of the Eagle Venture Fund, a global seed capital firm that focuses on impact investments; the co-founder and CEO of Alpha Alta Capital Management hedge fund; and co-founder and general partner of WayMaker multifamily real estate fund.

Wade's entrepreneurial ventures include a tech-enabled investment bank that he sold to a strategic Fortune 500 buyer, a SaaS-based big data company he sold to a publicly-held firm, a tech-enabled government services firm he sold to a strategic Fortune 500 buyer, and an Inc. 5000 SaaS-based property management firm that has grown to be the fourth-largest firm in an industry of 6,500 competitors.

Wade's other work experience includes the Boston Consulting Group and several years at Mobil Corporation where he rose to a national-level executive position. He also served as an Airborne Ranger in the US Army where he commanded a special weapons unit, developed new doctrine regarding atomic, liquid, and slurry demolitions, was awarded a Bronze Star when he was recalled to active duty to fight in the Gulf War.

Wade has a BS from North Dakota State University, an MS from Texas A&M University, and an MBA from Harvard University where he graduated as a Baker Scholar (top 5% of his class). He also helped develop an executive education course for Harvard Business School and is a Harvard case study author. Wade is also a published author with articles in Inc. Magazine, Forbes, Huffington Post, and Apple News. He was also featured in Episode 4 of Season 1 of the Curious Entrepreneur series on Amazon Prime.
